Everything is being done to make the evening one of pleasure for all. A small admission charge will be made.

Human and Liberal
Alf M. Landon's record as Governor of Kansas shows him as a champion of human rights, and liberal in all things except the spending of the people's money.

Heritage of Debts
"We must remember that every time the government spends a dollar, that dollar will have to be paid by us or we must pass the debt on to be paid by our children. No parents like to leave their children a heritage of debts and mortgages."

Hidden Taxes
"If the major portion of the government's income is obtained from indirect and hidden taxes—taxes upon such things as food, clothing, gasoline and cigarettes—then the main burden falls upon those of small income and the cost of government is hidden. In this case, it is the wage earner, the salaried worker, the farmer, and the small business man, who have to pay most of the bill."—Alf M. Landon at Buffalo, N. Y., August 26, 1933.

LOW SUMMER FARES EAST THIS WINTER!
—plus a FREE TICKET through CALIFORNIA
Low first-class roundtrip fares to the East (as low as summer excursion fares to many points) are in effect all this winter. These fares are good via sunny California and the balmy Southwest at no additional cost—in effect, a free ticket through California. For example, the winter first-class roundtrip fare from most western Oregon and Washington points through California to Chicago and back is \$86, exactly the same as the summer excursion fare. Similarly reduced first-class winter fares via California to other eastern cities on sale daily until May 14, 1937. Return limit 30-days. New, low coach and tourist roundtrips East via California, with 6-months return limit, are on sale during the same period. Ask for details.

Electric Cooking
● In Grandmother's day a woman had to spend hot days toiling over an old-fashioned cookstove. This is no longer necessary. The modern housewife cooks with an automatic electric range. All she needs to do is set the clock control, place her dinner in the oven and forget all about it until meal time arrives. No pot-watching, no hot kitchen, no ashes, smoke or soot for the modern woman. Yet electric cooking costs no more than old-fashioned methods.
