"Yours Coolly"
Air-cooled Trains to CALIFORNIA

BIGGEST BOON to pleasant travel is air-conditioning. All cars regularly assigned our trains have this weather-controlling equipment. This means, that no matter what type of accommodations you choose—coach, tourist or first class—you'll ride in cool, clean comfort when you go by train. Car temperatures are automatically regulated at just the right degree. Dust and dirt are eliminated. Noise is deadened.

Low Rail Fares
 Next time you go to California, travel the cool way. Rail fares are 2c a mile and less. Dining car meals are low in cost. "Off-the-tray" service in coaches and tourist sleeping cars features coffee, milk, sandwiches and a variety of similar items for 5c and 10c. There's no need to travel less comfortably when rail travel is so economical.
