YOUR BATTERY--
Has a Big Job!

Stop and think of the vital units of your motor car that depend upon your battery—starting, lighting, horns, ignition and, possibly, radio, heater, defroster and other accessories. The length of your battery will depend, to a large extent, upon the service you gave it. Have your battery checked regularly every two weeks—we'll gladly do it for you—it's free. However, when you need a new battery, replace with a FIRESTONE BATTERY.
