Pointers Take 2 Straight Games to Cinch County Title

Central Point's powerful Pointer squad won the Jackson County "B" Championship by taking the second straight game from Eagle Point last Friday at Eagle Point.

The Pointers jumped into a 9 to 3 lead at the first quarter and increased it to 19-7 at the intermission.

In the third quarter they kept going to lead 24-11, but slowed down to score but 1 point in the last period. Eagle Point staged a desperate rally but the Pointers were too far ahead to be caught, and the final score was 25 to 18.

Scoring honors went to Pink O'Connor of the Pointers with 15 tallies, followed by Throckmorton of Eagle Point with 13.

The game was rough with 32 fouls being called.

Lineups:
Pointers (25) Eagle Point (18)
Meyers (5) F. E. Harnish (1)
Webster F. Th'k'm'ton (13)
P. O'Connor (15) C. Smith
B. O'Connor (4) G. Chamberlain
Copingier G. Earl Harn'h (1)
Subs.: Pointers—Scott (1), Holland; Eagle Point—Waddell, Holman, Crandall (3).

WRESTLING NEWS

Bulldog Ken Hollis ain't what he used to be. Speed Larence showed that last Monday night when he defeated Hollis in a two straight falls in the main event of the evening.

In the middle bout Jimmy Lott and Ted Christy fought to a sensational draw in one of the best matches of the season.

Leo Newman, a newcomer from Canada, grabbed two out of three falls from Cecil McGill in the opener.

Promoter Lillard announced that Miss Clara Mortenson, a former Seattle high school girl who is today considered the greatest feminine wrestler in the world, will appear on next Monday night's program at the Medford armory against a woman opponent yet to be named.

Dennis Presents Trophy In Afternoon Assembly

Culminating a season of straight wins in the 1937-38 basketball season, Superintendent Walter Dennis of the Rogue River schools and president of the Athletic Association of Jackson County, in assembly Monday afternoon presented the County "B" championship basketball trophy.

H. P. Jewett, presiding at the meeting first called K. A. Hulburt, coach, to the stage. Mr. Hulburt, who made his entrance amid the hearty cheers of the student body, called his team to their places on the stage.

Mr. Dennis with fitting words of commendation presented the trophy to Arthur Copinger, captain of the team, who responded with a few words of appreciation.

Mr. Hulburt upon request spoke briefly.

BASKETBALL

Last Tuesday night in an easy game the Central Point Townies overwhelmed Butte Falls 59 to 24 at the high school gym.

The Townies will play the final game of the Medford league at Medford when they tangle with Blairs which was to be played last Thursday but was postponed until tonight.

SPORT GAGS

Any team entering the tournament at Ashland today, tomorrow and Saturday is not going to have an easy time. Each team has four games to play in the tournament, and in every game will be playing a tougher team. And the finals will be the toughest team of all, because that team has beaten the other three teams up to the final game. Naturally the two finalists are the best teams and so they will have to fight it out for the championship and the right to enter the state tournament. Chiloquin may be beaten by the other unknown team in the other bracket, even some other team may beat the Pointers in the other half. It is the uncertainty of the tournament games that have made it the greatest drawing attraction, it being nothing unusual to have a packed house every day at the gym. My prediction is that the two finalists will be the Pointers and the Chiloquin high school, and that the Pointers will win that game by a real close score.

The warm sun and fine weather lately have turned many thoughts to the other sports, including hiking, baseball and tennis. And in regard

to tennis, it is really a shame to see that fine tennis court in poor shape. It was only a few years ago that my little sister used to play tennis there a lot of times and I have engaged in many a game with her. I believe she was one of the leading spirits in the keeping up the court and had a lot to do with the revival of interest in tennis. But when she graduated from the school, there was a different story.

The interest last spring seemed to fall down so badly that I rarely ever saw any one play on the tennis court. In Medford, I have always seen all tennis courts full of players all the time, so that at times I could not get the court myself to play.

Tennis is the best friend of boys and girls. To the boys, it gives them a love of fair contests, the meaning of sportsmanship and a healthful exercise. To the girls, it is the same except in one way, the exercise of the games of tennis brings to them a healthful glow to their cheeks, sparkling eyes, and a fit body that all the dancing or the make-up outfits in the world could not give.

That is the secret why my little sister is always full of life, always aglow with health and happiness so that at times I pity some of those listless girls.

Come on, can't you start a tennis club at the school—keep the tennis court in good shape all the time. Why not start an inter-class school league to be played after school dur-

ing the time when we are having nice weather? And if you do, you will find a big difference in your self and you will wonder why in the heck you ever dropped tennis from your sports.
