

Sport Gags

By K. D. P.

Well, our high school team has come out on top by defeating Jacksonville and will tangle with Eagle Point for the county championship which by all odds should be a hummer of a game. So it is my advice to all folks to come out and see them play in the final game of the season tomorrow afternoon at Medford High school field. And you will really see a good game then.

Our softball team is rounding slowly and surely into shape and so far I have been perfectly satisfied with the team. Bill Landers is getting into shape very fast and expect to see him in top shape after one more week of workout. We have engaged in two games which are just practice games and have lost both. Jennings Tire team which is one of the strongest teams in the class A league beat us by score of 5 to 3. Howard team defeated us 6 to 1. In both of these games they have showed us plenty that we need more practice on hitting. But I expect that it will not be very long before they really snap into form to give us runs which counts in the softball play.

I will not attempt to change the infield positions at all for I am satisfied with them just as they are: A. Pinkham, 1st base; P. O'Connor, 2nd base; Red Heath, SS; Webster, 3base; and Babb, catcher, are about really the best infielders I have seen in a long time. Thirteen players have been signed as the rules have been changed from 12 to 15. So that gives me ample men and ample time to sign the men that I can be sure of.

Right now I am thinking of the future in regard to the softball teams after this year. I could not be sure as to whether Bill Landers will be here all the time or Del Ayers either. I am going to sign Wilbur Johnstone to a contract for he has a good arm and thew the ball at fast pace and all he needs is lots of practice. It is my intention to use him as much as I possibly can in order to give him practice. He is young and a student at the high school and experience is all he needs. If in some games our team runs up a big lead, I intend to put him in and have him pitch. By that way we will always have a good pitcher in the future to depend on instead of worrying my head off as has been in the past when I could not think of who and where can I get a good pitcher.

Grants Pass Wins Catfish Derby Sun.

Winners of second place were David, Lewis and Clarence McGonagle, all brothers and Medford youths. They caught only 17 catfish. Third went to a team composed

of Don Maygard, Mike Bossler and Fay Maygard of Talent. Miss Maygard won the grand prize, a automobile, for catching the largest fish of the day.

Mrs. Lacey of this city won a prize for having the longest hair of any lady present, 48 inches. C. B. Long also won a prize for being the heaviest man present.

Eagle Point Boys Drown in Surf

James Phelps, 16, and Melvin Arens, 14, both of Eagle Point, were drowned in the surf a mile south of Crescent City, Cal., Saturday afternoon.

Truman Phelps, father of James was rescued from the same fate by Deputy Sheriff Frank Blackerby. Mr. Phelps went to the rescue of the two boys when they yelled for help but he himself almost went down in the treacherous sea.

It was understood the party comprising Mr. and Mrs. Phelps, James Phelps, Melvin Arens and two other children left Eagle Point for Crescent early Saturday morning.

Mr. and Mrs. W. Abbott and Mr. Abbott's mother Mrs. J. H. Clark visited Mrs. Clark's parents Mr. and Mrs. Russ Moore at Lake Creek Sunday.

Kenneth and John Powell and Marion Hutt fished at south fork of Little Butte creek Sunday afternoon and caught a number of nice trout.
