Change and Decay

Thanksgiving Day once meant to us A pause to thank our Lord
It doesn't mean a thing today
But stuff the fatted bird.

Let's change the date to help the stores
To get us more in debt.
There's Christmas time and taxes
and
New Year lest we forget.

We used to have a holy day
The first day of the week.
But now it is a holiday
In which we pleasure seek.

The Resurrection could be changed
To some time late in May
And have it come on Wednesday
As you know that's Dollar Day.
Our dollar god must reign supreme
The god so many trust—
While folks who one time served
the Lord
Are heartsick with disgust.
—Henry S. Hoeflin.
