

Sport Gags

By K. D. P.

Our softball team was awful lucky in noosing out Gasco last Tuesday night after being behind during the entire game. The score was 6 to 5. I believe it was that long layoff from playing that caused the poor playing of our boys. Even Lee Pinkham had quite a time trying to find the plate with his pitching.

What I do not like about the entire situation is the way the schedules are being arranged. Sometimes we have two games in a row and two games at different times and sometime only one game for one week causing too much different conditions of our boys because we are not in a position to train every night because some of the boys are working at different times, making it hard to have enough boys to turn out for practice. Then the worst of all is the closing Wednesday night of the softball schedule on account of baseball being played the same night. It is my firm belief that there are mighty few fans who attend the softball games, who really go to see the baseball games. Then to have someone do the job of scheduling the softball games for some thirteen teams and do a very poor job of arranging the schedule certainly raised my ire aplenty.

The steelhead run is on. There can be no doubt about that because last Sunday I have numerous steelhead strikes but only succeeded in hooking two small ones, one weighing about 2 pounds and the other considerably smaller. The best luck seems to be on Royal Coachman bucktail or on Bucktail, peacock body. I really did have a lot of strikes but I seem to be unable to hook any and every time a steelhead would rise to my fly, it sent a big splash of water all over the spot where the fly was and that is about all I could see, and mark me, they are steelheads and not jack salmon or what have you.

Boy, it won't be long before you find my name at top of the list on the steelhead derby with the largest one caught and all of you will be raising howls that could be heard all over the state.

Virginia Simpson left Wednesday for Ashland where she visited her friend Arlene Tamany over the Fourth, returning home Sunday.

Farmers Save by Lower Interest Rate

Approximately \$47,000 will be saved by farmers of Jackson and Josephine counties during the next two years as the result of reduced interest rates on most types of Federal Land Bank and Land Bank Commissioner loans, Medford, secretary-treasurer of National Farm Loan Association serving the counties, announced this week.

Legislation adopted recently by Congress and approved by President Roosevelt fixes the interest rate on

the next two years' installments on both loans, with some few exceptions, at 3½ per cent annually. Land Bank loans made since 1917 have been written at varying rates of interest, but average about 5 per cent. Land Bank Commissioner loans made since 1933 have been written at a 5 per cent rate.

The 3½ per cent rate on land bank loans, it was explained, is a continuation of a rate that has been in effect since 1933. The new rate on Commissioner loans trims another one-half of 1 per cent from the interest charge, a special rate of 4 per

Itinerary Arranged To Advertise Plays

ASHLAND, July 10—Rehearsals on the four Shakespearean plays to be given here next month are now in full swing again after a three-day lay-off for the July 4th celebrations.

Efforts to speed the practice sessions have been made by Director William David Cottrell as dress rehearsals are set to begin July 22. The presentation dates of the plays are August 9 to 17 in the civic Elizabethan theatre here and the plays themselves, are: "As You Like It"; "Much Ado About Nothing"; "The Merry Wives of Windsor"; and "The Comedy of Errors."

Plans for the sponsoring membership drive are now complete and the drive will open in five southern Oregon and northern California cities this week. Included are Yreka, in northern California, Ashland, Medford, Grants Pass and Klamath Falls, in southern Oregon. As the Festival is entirely a non-profit community enterprise, it was felt that all major

areas should benefit from the returns.

Itinerary for the Shakespearean Queen Elizabeth and her court is also being completed. These four southern Oregon maidens, Phyllis Collier of Klamath Falls; Marilyn Sherlock of Grants Pass; Carol McCollum of Ashland and Mary Shreve of Medford who plays the official Queen Bess, will appear in a number of Oregon and California communities advertising the event.

A special radio broadcast has been arranged in Corvallis and will be staged August 1. The group will journey north later this month and will make costume stops enroute. An interview with Governor Charles A. Sprague is planned as the high-light of the trip.

Costumes for the 100-125 different

characterizations are being completed by Art Director Lois M. Bowmer.

Mrs. Helen Hedrick has a story published in this week's issue of the Liberty "They Sing and Go Away." Mrs. Hedrick is a daughter of Mr. and Mrs. W. H. Norcross and was born and grew to womanhood here. She has had a number of stories published.
