

Pointers Will Open Football Season With Roseburg Hi

A very green and inexperienced Pointer team will open their football season against Roseburg Hi at 8:00 P.M. on the Roseburg field.

Coch Hurlbert has had about two teams out for practice the most of which have had no previous experience. Late work and various other handicaps have hindered practice as many times squad members have been unable to practice regularly.

It would be too much to expect any great playing in the Roseburg game as 4 or 5 of the probable starting lineup have never played in a game before.

The squad will enter the Roseburg game in flashy blue and white jerseys with red numerals which will be used for the first time and really add color to any team play.

The team will be quite heavy but almost total lack of experience will offset the weight.

Individual positions are: Center—Smith and Taylor, neither have had any previous experience.

Guard—W. Vincent, A. Hilkey, Cassman, and Taylor. Cassman is only letterman back at this position. W. Vincent has about clinched a starting berth because of his aggressiveness and all around good play.

Ends—R. Blasing, who is a converted tackle, Chet Grimes who is out for the first time, Bob Colley and Edwin Fronreich, both sophomores with no experience.

Tackles—Thompson, Blaine, Seymour, and Watts; Seymour saw some service as a reserve last year. Watts is a transfer from Salem Hi where he was a reserve on the Salem Sophomores.

Quarterback—Noble Brown, who saw some action last year and Hal Jewett, a reserve two years ago.

Right Half—W. Hilkey who was a two year regular at guard before shifting to the backfield and Bob Vincent with no previous experience.

Left Half—Jim Pierce and alternate at this position last year and Woodrow Phillips who has had no experience.

Fullback—Garrett, who was a regular last year and Bob Vincent who works as reserve full when not a right halfback.

Other men turning out are Burke Pinkham, Truman Brown and John Freeland, who are all freshmen.

Sport Gags

Last week I so cheerfully announced that I was at the top of the steelhead derby with a seven pound steelhead. Two days later I was crestfallen to hear that Vintie Beall had gone over the top with a 7½ pounder and he was going to rib me up on that but he got stung because another man from Medford by name of Mr. Odell has entered the contest with a beauty of a fish weighing 8 pounds and 3 ounces, dressed. But after a checkup, his fish was declared ineligible for the contest because of the rule of the derby that a man must enter his name in the derby before going out fishing. Well, Mr. Odell brought his fish in and at the same time entered his name and two bits in the derby.

It's not fair to let his fish enter that way. Because the derby entrance has been opened to all people all summer and to expect anyone to wait till he got a big one, then enter his name in the derby at the same time entering the fish. Any one that wants to get a prize in the derby

must enter his name in the roll before going out fishing.

It is fine to get such a big fish as Mr. Odell did but to me it is very little honor because he has used a treble hook and a dozen eggs on the hook. The treble hook is a very ugly looking thing and once the fish get hooked on it, it very seldom get away. That is why I prefer a No. 8 hook with a single egg and give the fish every bit of sporting chance to get away.

Well, Beall is at the top and I am in the second spot. He deserves the top all right because he has never attempted to use bait or spinner but I hope that I may be able to get a big one because my reputation as a first class fisherman must be kept up, eh, you know.

WRESTLING NEWS

Mike Nazarian made it eight grapple victories in a row in the armory last Monday night. Just like everybody expected, but until he finally put the clincher on baby-faced Joe Smolinski he received for as neat a lacing as had been seen here in a couple of months of Mondays.

Smolinski won everything but the match. In fact, the big Polish palooka from Portland treated himself to what might be termed a field day. And strange as it seems, Joe was the favorite with the fans as he slugged Nazarian from one side of the ring to the other, chased him into the ringside clients twice, and all in all dished out one lovely shellacking.

But as usual, Smolinski let his enthusiasm run away with his better judgment, if any. With the brawl right in his hands, Joe walked into a short right hand clip to the chin and down he went. That proved to be the turning point of the match because The Armenian, always an opportunist, proceeded to win two falls in a row.

Broccoli Bob Kruse of Oswego, making his first Medford appearance in several years, took the measure of Taro Ito in the middle event, in two straight falls. It was Kruse's famous wristlock that gave him the victory, after a tough tussle.

The opening event between Halk Estes and Whitey Wahlberg went the full six rounds to a one-fall-apiece deadlock, and was probably the greatest scientific exhibition seen here in months.

Southern Pacific Changes Schedule

Southbound schedule of Southern Pacific's Shasta to San Francisco will be cut fifteen minutes and a new schedule will become effective, Sunday, September 29, which will put

the train into San Francisco one hour earlier than now applies, according to F. G. Morris, Southern Pacific agent at Medford.

Under the new schedule the Shasta will depart from Medford at 4:55 p.m. instead of 5:40 p.m. and it will arrive in San Francisco at 7:05 A.M. instead of 8:50 A.M., the announcement stated.

Northbound schedule will be unchanged. The Shasta will leave San Francisco at 8:35 P.M. and will arrive in Medford at 10:48 a.m. next morning.

Crater Lake Lodge Closes for Season

Crater Lake lodge, cafeteria and overnight cabins were closed for the season Friday and bus service to the lake from Grants Pass and Klamath Falls was discontinued.

An announcement received from E. P. Leavitt, superintendent of Crater Lake national park, said:

"Overnight lodgings are not available in the park at present but may be obtained in communities nearby.

"The gasoline filling station at park headquarters will close for the winter on September 22. Motorists are urged to secure a full supply of gasoline before making the trip to the Park. All highways remain in excellent condition for travel. Motorists are requested to use due caution

whenever and wherever patches of snow are encountered on park highways at this time of the year."

Mrs. L. C. Grimes and Chet took James to Corvallis this last week end.

A truck turning the corner by the Craterian theatre in Medford sheared off a row of light bulbs in front of the theatre Monday.
