REGRETS

WE, the business people of this district, wish to express our regret that one of our enterprising business men, L. C. GRIMES, who has been in our midst for the past eighteen years, is leaving for Gold Beach, where he will enter business.

During the past years the Grimes family have in many ways made a place for themselves that will be impossible to fill. At this time we express our best wishes to the entire family, Grandma Grimes, the L. C.s, and Bill, Jim, Chet and Oliver, and our hope that the future may hold peace, plenty and prosperity in the years to come.
