Sixth Grade Presents Assembly Program

The sixth grade of Central Point presented a short skit and three musical numbers following some announcements by Mr. Jewett in an assembly April 3.

In the skit "World's Front Door", World, Mother Nature, Spirit of Friendliness, and a number of the various nations of the world were portrayed by the pupils. World told the Spirit of Friendliness how sad he was because of the misbehavior of the nations. Mother Nature called upon the nations to bring flowers to cheer the World. The skit was concluded with an invitation to a garden party from World to the nations upon World's receipt of the flowers.

The musical numbers included a hillbilly version of "Oh! Susanna" and the sixth grade versions of "Grandfather's Clock" and "Auld Lang Syne". Mary Jane Matthews was the accompanist.—The Central Point.

Mr. Roy Shuler has rented the Mayfield house. Mr. Shuler is a new arrival from the east.
