

### Camas Team Loses To Pointer Five, 55-10

Last Friday night Central Point entertained a Camas Valley team in the Pointers' first basketball game of the season, winning 51-10.

This game, which was played on the Pointers' floor, was a lightning fast game on the part of the Pointers.

At the start of the game both teams moved rather sluggishly, with the Pointers having a slight margin. About mid-way through the first quarter Camas tied Central Point at 6-6. Here, however, the visitors began to falter and fall apart at the seams.

At the end of the first quarter the Pointers led 13-6. The beginning of the second quarter was fast, but Camas couldn't keep control of the ball. The Pointers began pulling away, and at intermission led 27-9.

From here on out the game began to turn into a rout. Half way through the third period the Pointer seconds took over and kept right on making baskets and holding Camas scoreless to make the score 39-9 at the start of the fourth and final period.

In the fourth period Central Point still remained on the offensive with the first string back in the game. The Pointers scored almost continuously right up to the final gun; and, as the game ended, the Pointers had opened their 1944-45 basketball season with a 51-10 victory over an outclassed but fighting Camas Valley team.

### C. P. to Meet G. Hill In Conference Opener

Tomorrow night Central Point will take to the maple court to open their 1944-45 conference season at Gold Hill.

Gold Hill will be out to avenge a defeat that they suffered at the hands of Kirby, while Central Point will try to go right on clicking after

their victory over Camas Valley. Although the Pointers have a new coach this year, there is no reason why they shouldn't support the team, in its efforts to win the conference.

Since both the Pointers and Gold Hill finished with good records last year, the game tomorrow night will more than likely turn out to be a whale of a battle on the part of both teams, for both teams will be shooting for their first conference win of this season.
