Increased Deposits Are Indication of Growth

In its statement of condition to the Comptroller of Currency as per the official call of December 30, the United States National Bank, which maintains one of its important branches in Medford, reported deposits of \$480,808,957.86 and resources of \$500,202,013.74. These totals represent all-time "highs" for both deposits and resources. In deposits, the gain over the correspond-

ing call date of a year ago was \$90,753,187.24 thus reflecting a most substantial growth. Resources for the twelve month period gained \$82,854,699.26. Geo. T. Frey, manager of the local bank indicated that this immediate area has played a proportionate part in making this splendid record possible.

Harold Head, wife and son Harlow spent Tuesday night with Mrs. Bertha Bonney. Mr. Head is home on furlough. He is storekeeper in and will buy in Central Point.
