SUSY---

The Store Cat allows that it is going to rain next month and a person should look for holes in the roof. Susy allows that it is easier to put on a new roof now than to find enough pans to catch the drippings after it starts to rain. Take a look at your granary, chicken house, shed roofs.

Received our allotment of Super Phosphate the other day and expect shipments of soil sulphur soon. New allotment of Meyers water systems coming soon. Get your name in the pot.

Feed Situation still tough but believe that the hump has been passed.
