Mrs. Ione Marcady and small son Jimmy returned from Crescent City recently where she had been called by a serious accident to her small brother, Darrell Love. Darrell had found a dynamite cap which he had laid down on table and when he picked it up, it exploded and shot off his left hand. He was taken to the hospital for eleven days. They thought at first the hand was entirely gone but found that a little of the hand was left below the wrist and the tendons. It is thought that it will be possible to fit an artificial hand so that he will be able to use it. Mr. and Mrs. Love run the Coffee Pot for some time. They are planning to return to Central Point.

Harry Dunn is disposing of his potato crop. He still has about 700 sacks in cold storage. He reports that the potato crop was damaged by the long rainy spell as was the onion crop. The onion have not been harvested yet. If it is a late fall, they may come out pretty good. The thrip has been hard on onions this summer.

Mr. and Mrs. Andy McCallister stopped here for a brief visit and took Mr. L. H. Root with them to Lakeside, Washington, to visit Mr. McCallister's parents Mr. and Mrs. Del Hawley.
