

Pointers Scheduled To Tangle With Bulldogs

"Central Point will travel to Talent to play probably what will be their toughest game of the season, when they meet the Bulldogs under the lights at 8 o'clock, October 19," said Tom Colley, captain of the team. Talent, defending champs from last year, are expected to be very strong, due to the return of Frink, Hartley, Williams, Redmond, and Dorman, all lettermen from last year's first six.

Central Pointers, who are for the first time playing under the lights, are considered underdogs due to a smaller team members and lack of experience. Regardless of this handicap the Pointers are expected to put up a battle and anything can happen according to Colley.

Pointers Defeat Prospect Team

The Pointers ventured to Prospect to engage in the second game of the seven game league, coming out on the long end of a hard fight, with a score of 13-8, Friday, October 12.

The game started with Central Point kicking and Prospect receiving. The first half ended with the score 0-0, as the teams were seemingly matched evenly.

The first touchdown was made for Central Point by Wallace West. The conversion point was Holland's pass to Mang, making the score 8-7 in favor of Prospect.

Central Point recovered the ball on a fumble and again started for the end zone. Ahorn took the ball on a reverse and went the remaining 11 yards to score standing up. The try for another point was blocked, so the score now came up 13-8 for the Pointers with only a minute left to play. Holland intercepted a pass to start a march deep into the Prospect territory, and, with the final blowing of the whistle, Central Point was just about seven yards away from another goal.

Lettermen to Sponsor Annual School Carnival

To draw up plans for the forthcoming carnival and to decide what was to be done about out of school letterman sweaters, the Central Point Letterman Club held a meeting Friday, October 12, upon the recommendation of the Student Council.

It was decided to back the carnival, and preparations were made to put the plans into operation.

It was suggested that the portion of the Order of the C Constitution pertaining to out-of-school letters be read in an assembly to acquaint newcomers with the provision.

Roland Smith presided.

Meyers Organizes Mixed Choral Group

High school boys for the first time in three years, are now taking part in the chorus, directed by Harry L. Meyers.

For several years the chorus has been made up entirely of girls. At a request from a considerable number of boys to be included in the chorus, the all-girl chorus was converted into a mixed group. The chorus now numbers 54 girls and 15 boys.

There will also be an all-girl chorus as in the past three years, according to Mr. Meyers.

SHORT VISIT ENJOYED—

Mr. William Lacey's brother, Frank Lacey and nephew of Oakland, Calif., arrived Sunday for a short visit. The brothers hadn't seen each other for 10 years. Needless to say that much time was put in visiting and reviewing the past. While here they hunted and saw the country. They lived on deer and china pheasants. They left for home today.
