DO YOU KNOW?

Do you know we have a Townsend Club with-in our little city? And if you know and do not come—oh what an awful pity.

Are you an active member the kind that would be missed, Or are you just contented that your name is on the list?

Do you attend the meetings and

mingle with the flock, Or do you stay at home and criticize and knock?

Do you take an active part and help the work along, Or are you satisfied to be the kind that just belong?

Do you ever go to visit a member that is sick, Or leave that part to just a few and talk about the clique?

We often have a program scheduled that I'm sure you've heard about. And, we'll appreciate if you, too, will come and help us out.

So come to the Townsend meetings, and help with hand and heart. Don't be just a member, but take an active part.

Think it over, member, you know what's right—from wrong. Let's all be live wire members, And please don't—Just belong.
