"Me... I'm staying in the Army!"

THERE ARE PLENTY OF REASONS... AND HERE THEY ARE!"

1 "First, I keep my present grade. That means a lot.

2 "By reenlisting for 3 years I can pick my own branch of service in the Air, Ground or Service Forces, and can go to any overseas theater I wish.

3 "I get my mustering-out pay, even though I'm reenlisting. Also, I get \$50 a year reenlistment bonus for each year I've been in the Army. My dependents receive family allowances for the full term of my enlistment. And I'll be eligible for GI Bill of Rights benefits when I get out of the Army.

4 "My food, clothes, quarters, medical and dental care are all supplied to me. And I can learn any of 200 skills or trades in the Army schools.

5 "All of us who are reenlisting are going to have from 30 to 90 days' furlough at home with full pay and our travel paid both ways. And we'll have 30 days' furlough every year with pay.

6 "Any time after 20 years I can retire at half pay increasing year by year to three-quarters retirement pay after 30 years of service. And the time I've already served in active military or naval service counts toward my retirement time. Added up—reenlistment seems pretty sound to me!"

JANUARY 31, 1946

AN IMPORTANT DATE FOR MEN IN THE ARMY

You may enlist AT ANY TIME for 1½, 2 or 3 year periods. (One-year enlistments for men now in the Army with at least 6 months of service.)

today... The Daylights

pacemakers for trains to come

Every day Southern Pacific's luxurious streamlined Daylights join San Francisco with Los Angeles in a glorious daylight trip. One Daylight streaks along the California coast, over the Santa Lucia Mountains and along the blue Pacific Ocean shore for more than a hundred miles. Another Daylight travels over the rugged Tehachapi Mountains and through the great San Joaquin Valley.

The Daylights are among the most popular trains in America and the most beautiful trains in the world.

Aboard these luxurious red and orange streamliners you enjoy enormous "showcase" windows five feet wide, soft foam rubber seats, fluorescent lighting, a low-voiced public address system to announce station stops and points of interest, baggage elevators, complete air-conditioning, smooth gliding motion thanks to ingenious tight-lock couplings between the cars.

Modern ideas such as these, tested in years of daily service on Southern Pacific's Daylights, the Lark, the City of San Francisco and the Sunbeams, gave us a head start in designing the trains to come.

tomorrow... Southern Pacific is planning more streamliners, and will have them on our four major routes as fast as conditions permit. These new trains will be the finest the world has seen. Watch for the new Southern Pacific streamliners. Then it will be more exciting than ever to "try the train."
