Ross Confectionery & Sport Shop

Howdy Folks:

List to the farmer's lament:
A horse sleeps in a straw laid stall.

The chickens perch on props; But a gold-durned cow's so onery.

She don't care where she flops.

Daughter: "What does close quarters mean, Ma?"

Mama: "It's a definition of me trying to get twenty-five cents from your father."

And when a girl has practically nothing on her mind, she's thinking of a bathing suit.

Then there's the teacher in the zoology class who asked, "Now Tommy, name an dangerous animal with horns."

Tommy: "An auto."

We don't agree with Tommy on that one, because when we get through gassing, oiling and lubricating your car, it runs smoother, and driving's a whole lot easier and safer. Our super-service is available anytime.
