FIRST GRADE NEWS

To our readers—Every winter we print the 1st grade news. This is made up of news items the children report. It is a good way for them to learn to read. By checking on this very week you can see the progress the children make from week to week.

There are 64 children here today. There are 8 children out. We have a big, big First Grade. We have two teachers. Our teachers are Mrs. Richardson and Mrs. Cline. We must work, work. We have time to play too. We will go to see a movie. It will cost one dime. Our dimes will help little children who can't walk. We want to help them get well. Janet has a new baby brother. His name is Lawrence Merideth. Albert has a new baby sister. Her name is Mary Elizabeth Tucker. We saw something pretty. Something white. Down, down it came.
