Junior class by being at the gym at 8:00 o'clock sharp.

The plans are a little more definite concerning the banquet and prom. All juniors and seniors will attend the banquet at the Holland hotel in Medford. Each person may invite a guest to accompany them to the prom, which will be held in the Central Point gym. The juniors are capably handling all arrangements under the supervision of Miss Boshears and we know it will be an enjoyable occasion and will leave lasting memories with the graduating class.

Speaking of the graduating class—almost everyone knows but for the information of those who 'don't get around much any more'—The seniors and their chaperones spent "Skip Day" at Lake O' the Woods last Friday and Saturday (forenoon). I don't want to get started telling of the wonderful time we had because I'd never run down so just look around for the other article concerning "said subject." I will say that the class well represented our school by having loads of fun, yet remembering their manners and being perfect ladies and gentlemen. This was partly due to the capable chaperones' efforts who did a swell job of keeping everyone in line.

The Home Ec. I class made up of freshman girls, gave a Mothers' tea last Wednesday at 3:00 p.m. in the auditorium for all girls in high school and their mothers. Girls from both classes modeled the clothes that they had made in school. The freshman class modeled the wardrobe needed by a very active girl for 24 hours. The advanced class had done a little more complicated work resulting in wool suits, "dressy" dresses, and novelty clothes.

All present were served lovely refreshments prepared by the freshman class. Both of these classes are under the direction of Mrs. "Dutch" Meyer.

All members of the G.A.A. (Girls Athletic Association to you) climbed

into Chas. Bateman's truck Thursday at 3:00 p.m. and amid much shouting and scrambling of girls headed for Ashland park. They ate their lunches and then played tennis and baseball while waiting for the necessary hour to pass. They then went swimming in Twin Plunges. Some girls went to the show, others to dress rehearsal for play practice, and the rest went home following their swim.

The Girls' Town baseball team have been practicing very steadily the past few weeks. They will play a practice game with Medford Sunday afternoon on the new town deamord. At present the team consists of Thais Gordon, Joyce Currie, Claudine Stallings, Marion Pinkham, Loree Brennessholtz, Mary Jane Matthews, Hlene Narramore, Helene Blumenstein, and Barbey Bateman. Plans are being made to play Roseburg, Grants Pass, Medford, Ashland, and other Southern Oregon teams in the near future.

The boys' team has had its ups and downs. They defeated Talent in a sweeping victory of 22-6 last Thursday but lost to Phoenix with the score 6-4 last Tuesday. Both were out-of-town games. This loss leaves Central Point and Phoenix tied for district championship as they have both lost one game. The play-off will be in the near future and will naturally be a very exciting game. If we can beat Medford we can beat Phoenix! (We keep telling ourselves!)

SEEN & HEARD AT LAKE O' THE WOODS—Mr. Camp and Mr. Jewett stumbling over some huge carp and suckers on their cabin steps as they hurried out in the middle of the night—Joyce Currie causing a lot of excitement by getting seriously ill in the middle of night—Thais Gordon and Berk Pinkham trying "everything in the book" for sun burn—Mr. Camp using is sunburned forehead for a lantern—Obsolete bathing suits on Don Faber and Ed

Ewald—Mary Jane Matthews looking so different after being awoken in the middle of the night that her own mother didn't recognize her—Les Monroe finally mustering up enough courage to talk to Marion Pinkham—Everybody tired and sunburned, but happy!

SEEN & HEARD AROUND HOME

A few 1900 style hats purchased at the big sale down town—Perry Skeeters looking for a girl friend—Miss Boshears wondering if there is any hope for those juniors—Gwen Goin robbing her piggy bank so she can get Hap Thunder a birthday and graduation present—Betty Hawks getting the last details of her wedding under control. June 1 isn't very far off.

Chauffeur—"I'll give you an explanation, sir."

Owner—"Explanation nothing! What I want is an introduction."
