

2472 New Students Accepted at O.S.C.

ORE. STATE COLLEGE—With the end of the post summer session August 29, interest is centered on opening of the 24th annual freshman week which starts Monday, September 15 and continues through Saturday.

New students accepted a month before the opening of freshman week totaled 2472, including both new freshmen and transfers. This is practically the same number accepted at that date a year earlier. The final number of new students accepted last year was 2663 freshmen and 534 transfers.

More than 1100 students who ap-

plied for admission this year have not been accepted. Dr. D. T. Orde-man, registrar, reports. Of these 779 failed to follow up their application when requirements were explained, and 325 were rejected when credentials failed to meet entrance requirements. An uncounted additional number who inquired personally at the office about admission were advised not to apply when found not qualified.

The freshman week program will begin with an assembly at 8 o'clock Monday morning and will continue much as usual through the week with placement examinations and assemblies. One big change is in registration procedure.

Old students and new together will begin registration Wednesday under an alphabetical division arrived at by drawing letters out of a hat. Approximately a fourth of the students will be registered each day through Saturday. This plan, tried in spring term registration, avoided long lines and crowding.

Leland Myers, son of Mr. and Mrs. Henry Myers, a former resident of Central Point, who has spent the past three weeks visiting his parents and grandparents, Mr. and Mrs. W. M. Tethrow, left recently for duty in O'kinawa. Leland enlisted last October in the Air Corps for a term of three years.

Mr. and Mrs. Cecil Warner, of Eugene, moved to Central Point last week and have taken up residence in the Isabelle Leever home at 615 Pine Street. Mr. Warner is the new teacher of boys physical education of the local school.

Mrs. Ida Miller received word of the death of her sister-in-law, Mrs. Joe J. Duncan, of Riverside, California August 19th the same day her brother, Joe, underwent a major operation.

Mrs. Lettie Gregory and Miss Lysle assisted by Mrs. Willie Davis were hostesses on Tuesday afternoon at the former's home honoring Bonnie Camp, Mrs. Shirley Kelly and Mrs. Kenneth Adams at a towel shower. Games were played and a dainty lunch served to fifteen guests.

Mr. and Mrs. W. M. Tethrow observed their birthdays last Sunday at a dinner in their honor at the home of their daughter, Mrs. Stanley Jones in Medford. Other guests were the Henry Myers family.

Mr. and Mrs. Edward Leetch and family are spending a few days in California visiting relatives.

Mr. and Mrs. C. G. Whitney, of Rt. 1, Central Point, spent last week end visiting in Klamath Falls. On their return home they had an exciting moment when a bear dashed out into the road and smashed head on into the side of their car. The impact was great enough to crush the front door. No one was severely injured, not even the bear.
