C.P. Swaps Games With Myrtle Creek

The Pointers Varsity squad split a two nights' stand at Myrtle Creek this week end, losing Friday night's fray 46-25, winning Saturday night's 51-39.

The Pointers played listless ball Friday night after having some difficulty with the officials.

Coming back at the second half from a 30-8 score, the Pointers outscored Myrtle Creek, but the lead was too much to overcome.

Saturday night's game was an entirely different story. Myrtle Creek got the jump with two quick baskets, but the Pointers came right back and took an 8-6 lead and held the lead throughout the game.

The scoring was pretty evenly divided between: Hansen, 22; Snooks, 21; Rupp, 14; West, 5; Burns, 5; M. Trautman, 5; Clark, 4.

The team enjoyed the trip very much, and said that their only regret was that more of the team couldn't go.

Frosh Take Honors With Nine Students

The freshmen topped the honor roll with nine out of twenty-two honor students for the last six weeks of the first semester.

They are Loretta Anderson, Billie J. Currier, Lucille Harnish, John Heberling, Laurel Jewett, Ruth Powell, Donna Rainey, Richard Roberts and Andrey Woodridge.

The seniors came next with five honor students. They are: Nancy Hunter, Jean Kincaid, Bernice Koch, Bud Meadows and Janet Merritt.

The juniors and sophomores tied with four from each class. They are: Patsy Faber Sam Glass, Donna Nealon, and Barbara Powell, juniors; Barbara Benston, Marilyn Keenan, Daniel Krotz and Louise Minor sophomores.

Teens Attend Dance Sponsored by Club

An informal dance, sponsored by the Dance Club of Central Point High School, was held in the small gym January 29 from 8 until 11 o'clock.

The music for the dance was furnished by records. No special decorations were prepared because of the short notice according to H. P. Jewett.

Members of the club were admitted free, while others paid a small admission.

The club is planning a dance to follow a basketball game in the near future, according to Bob Carter, club president.

Semester Brings Schedule Change

A freshman health class was added to the second semester curriculum, as announced by H. P. Jewett in assembly, January 19.

A half of semester of health is required of the freshman class this year and of the Freshman and Junior Classes after this. The girls' class is being held fifth period and the boys', sixth.

A new ruling, which was made necessary by crowded conditions in study hall before classes in the morning, according to Mr. Jewett, is that all students are to go to the rooms where they have their first period class when they arrive instead of remaining in study hall as they formerly did.

TID BITS

Harry Meyers announced that the music department will have a spring concert in March, but that the exact date has not been settled yet.

A new form, which a student wishing to drop a subject must fill out has been approved by the faculty. This new method is in the form of a petition to the high school and requires the parents' consent along with the faculty's consent before a student will be allowed to drop a course or change his schedule.

Jean Kincaid, Patsy Faber, Bob Carter and Frank Koch of the high school have organized a teen dance band. They have played at a few Teen-Age Club dances, and they supplied the music for the recent March of Dimes Dance, held in the Legion Hall.

Janet Merritt, Bob Jantzer, Richard Bartley, and Pat Hamilton in charge of the "Pointer" snapshots urge all students to turn in any photographs suitable for the snap page. Funny pictures, old pictures, and good pictures of students and members of the faculty are especially needed. Turn them in early.

Jean Kincaid, senior, has been out of school since Wednesday, January 28, with a case of diphtheria. She is reported improving rapidly.

Cecil Warner, coach and vice-principal at Central Point High School, was absent from school this week with the flu.

Junior Play Cast Rehearsing Mystery

Rehearsals have begun for the junior class play, "The High School Mystery" by Robert St. Clair, which is to be presented in March.

According to Mrs. Lorna Meyer, director, the play, which is a mystery containing chills, surprises thrills and screams, differs in plot from the plays that have been given in recent years.

The cast, which was named a few weeks ago, is as follows: Miss Fielding—Patsy Faber. Laura Crowder—Anne Bohnert. Dorothy Russell—Wanda Glenn. Mary Lee—Jean Lavin. Miss Jeffries—Donna Nealon. Earl Sayles—Frank Koch. Victor Reed—Milton Gordon. Raul Butler—Lester Hansen. Joe—David Doran. Jack Howard—Sam Glass. Jackson Shaw—Ted Franks.

Advertising Staff Absent From School

The senior class was absent from school Wednesday, January 28, for the purpose of soliciting advertisements to finance printing of the "Pointer", senior year-book. H. P. Jewett, principal, allowed the class a day of school time in order to speed up the advertising.

Over three-hundred dollars in advertising was sold in one day. Bud Meadows, business manager, divided the class into groups and assigned each group to certain sections of the Medford and the Central Point business districts.

The advertising is not completed yet, but it is off to a good start, according to Kathleen Pleyer, editor.

Koch Elected New T-A Club President

The Central Point Teen-Age Club held its second semi-annual meeting Monday, January 26, for the purpose of electing new officers. Frank Koch succeeded Melvin Kelly as president. Other officers are: secretary, Kay Grantham; treasurer, Lou Ann Boes; and first vice president, Herb Colley. The three directors are: Jean Kincaid, Wally West, and Lester Hansen.

It was decided that the club have a committee of advisors to chaperone the meetings—one to be at each meeting—instead of the one advisor, who previously had to be at every meeting. These advisors will be chosen from organizations in Central Point.

Don Burelson, Central Point businessman, spoke to the group, congratulating them on their success as a club and wishing them luck in their new venture. Dancing and games followed the business meeting.

Girls' Ball Teams Organized by GAA

Balls are flying in the gym each Tuesday and Thursday at noon, propelled by the physical exertions of the more gentle sex.

The girls' volleyball intramural tournament began January 22 with the sophomores beating the freshmen 26 to 25.

March of Dimes Benefit Program

A March of Dimes amateur program, under the direction of Harry Chipman, was held in the Central Point High School, January 30, for the purpose of raising money for the National Polio Fund. Mr. Chipman, who was stricken

with polio himself, has been touring the countryside with a series of nine shows, containing local talent. The performers donated their time to the all-out effort against infantile paralysis.

The program included accordion, guitar and piano music; dancing; baton twirling; singing; and a magician's show.
