STREET SIGNS

We think it is about time that something is done about putting up street signs in Central Point. Several times in the past month we have been approached by strangers and asked where such and such a street was. We are sorry to confess that we did

not know.

In fact, last week a lady asked us—What street is this?—We did not know. We had been working on that building for the past three months. (The New Federated Church). We knew it was on fourth street but we didn't know the name of the cross street.

In 1938 the Ladies' Civic club of Central Point put up street signs on most of the streets in town. They were very nice signs. Some few of them are still in place.

But there was no one to look after them and the kids soon knocked them down and now most of them have disappeared.

We believe new signs should be put up and that the city council should pass an ordinance making it unlawful for any one to molest them.

—C. W. P.

In another column in this paper there is a communication received from Germany that gives us an insight to the conditions in other parts of the world today. It makes us wonder if the prosperity we are enjoying in this country is real.

When we think of the past ten years. We wonder if our "good times" are not based on blood money. Borrowed money at that.

If the world has ten more years with as much "progress" as we have had in the past ten years, we will lose our so called civilization.

We believe it is time to get back to fundamentals. Time to get our feet on the ground and our head out of the clouds.

—C. W. P.

Basketball History Pointers Beat Tigers

Medford defeated by Central Point high school 37 to 34. The first time this has happened in modern basketball. (According to the Medford paper.)

Anyway there was much joy in the High School gym last Saturday night. When the final whistle blew the crowd went wild, overflowing onto

the court and nearly smothering the victorious team.

The Medford team filed dejectedly off the floor with only one player (Bob Fasel) making any effort to congratulate the Central Point team.

The game was fast and rough from the start to finish and so close that there was always a doubt if the local boys would be able to maintain the lead. Medford scored four fast points as the game opened. But Central Point soon overcame that lead and were never headed.

The local boys were really "HOT" and played the kind of basketball that gave them wins over Redmond and St. Mary's of Eugene earlier in the season.

Many local fans have expressed opinions that this was the year for Central Point to beat Medford.

Wally West and Gene Snook were high point men with ten counters each. Milo "Mike" Trautman was outstanding for his floor play, fight and determination to win. Mike is only a freshman and much will be expected from him next year.

Beautiful Wedding at Sacred Heart Church

A very beautiful wedding, which united Miss Phyllis Roberts and Robert LeRoy Tingley in marriage, was held Saturday, February 14 at 2 o'clock in the afternoon in the Sacred Heart Catholic church in Medford.

The bride, a daughter of Mrs. San Roberts, of Helena, Montana, was very lovely in a gown of white lace and net. With a sweetheart neck line, a finger tip illusion veil held by a pearl tiara, she carried a colonial bouquet of white sweet peas and gardenias centered with red carnations with a cascade of red and white streamers.

Miss Gertrude Lewis acting as bridesmaid, wore pink chiffon and carried a colonial bouquet of pink centered white carnations. Mrs. Janet Tomas, of Tacoma, Wash., was matron of honor, and wore a gown of lime green carried a colonial bouquet with green and white streamers. The

groom is the son of Mr. and Mrs. Luther Tingley, of this city.

Joseph Thomas, a close friend of the family gave the bride in marriage. Glenn Tingley acted as best man for his brother.

The bride's mother was attired in an afternoon gown of black with aqua accessories and the groom's mother chose a tapue dress with beige accessories.

Following a wedding trip, the young couple will spend a month with the groom's parents, then they will move to Farragut, Idaho, where the groom will enroll in school.

Out of town guests were Mr. and Mrs. Warren Walke, of San Francisco and Mr. and Mrs. R. E. Smith, Jr., of Sacramento, sisters and brothers-in-law, of the groom. Also Mrs. M. S. Smith, of Rainier, Washington, the groom's grandmother.

A reception for twenty five guests was held in the Tingley home.

Moore Addresses Lincoln Banquet

Ralph T. Moore, Coos Bay Lumberman and legislator addressed the 34th annual banquet meeting at the Jackson County club last Thursday evening at the country club.

Mr. Moore said that the government should be returned to the people and that the continuation of the present system inevitably means further surrender of personal liberties.

Robert F. Kyle presided at the traditional dinner which attracted about 170 people.

William H. Fluhrer introduced Mr. Moore.

The weather is like spring today. Much different than last week. A few clouds in the sky, but really nice.

Post Office News

The Post Office will be closed Monday, February 23rd in observance of Washington's birthday, which falls on Sunday this year.

Stamp sales continue to show an

upswing in the business conducted at this office. Gross receipts for the Christmas period for 1947 show a 22% increase over the same period in 1946.

It is noted that the City of Central Point is continuing to grow. There are but few post office boxes available to rent.
