EAST

No extra rail fare

When you go east you might as well get all you can for your money. And it's pretty hard to find a bigger bargain than this:

On your roundtrip ticket to Chicago, New York and most other eastern cities you can go or return via California for not 1c more rail fare than you'd pay to go direct. See San Francisco, Los Angeles and the colorful southwest. Go one way, return another. See twice as much at no additional ticket cost.
