15 Years Ago-

E. C. Faber states that he has five families looking for furnished houses and he is unable to find any.

Bobby Hoagland fell from a swing on the school grounds Tuesday noon and broke his arm.

Fred Taylor, John Ross and Sid Bristow, pioneer miners, took a trip to Jacksonville recently. Old times seemed to have been revived. It seemed like the old days to find more than 75 shafts had been sunk about the town in the last year. Some are taking out as much as 4 oz. per day.

Mrs. Eleanor Fry, who has been visiting at the home of her nephew Fred Lawrence and wife for the past three weeks, left Tuesday morning for San Francisco, where she will visit for a while before going on to Washington, D.C., where she makes her home.

Mr. R. B. Langston and Billy are improving their home by putting in a lawn. Early this morning they were both out with their shovels hard at work.

Mrs. Nellie Scott of Sams Valley spent Saturday visiting Mrs. Minnie Moore.

HIGH SCHOOL NEWS

Music Department to Take Part in Festival

Students from the Central Point High School chorus, band, and orchestra will take part in the music festival, March 26, at the Medford High School auditorium. All of the schools in Southern Oregon contribute singers and musicians to the festival.

Harry L. Meyers, music director, has been rehearsing four songs with the chorus. They are: "Which is the Properest Day to Sing," "Soon Ah Will Be Done," "Come Blessed Rest," and "The Music of Life."

The band is learning four numbers: "Storm King," "Prayer from Hansell and Gretel," "Two Moods," and "Suite in F." The orchestra is practicing "Hungarian Dance No. 5," "Chorale Fugue," "Perpetual Motion," "Sleeping Beauty Waltz," "Rosamunde Overture," and "Marionettes."

The students will travel to Medford Friday and Saturday afternoons for group rehearsals, and the program will be given Saturday night.

Students Attend I.R.L. Meeting

Students of C.P.H.S. attended an International Relations League meeting at Medford Senior High School, February 28, to hear speakers from Oregon State College.

The speakers, Bahl Aangikar and Mohammed Aloufis of Egypt

gave talks on customs of their native countries. They also answered questions for the students.

Attending from Central Point were Louise Vanderpool, Stanley Snook, Herb Colley, Ken Bartley, Jean Hamilton, Carol Horsley, and Patsy Faber, accompanied by Charles Wilbur, social studies teacher.

Track Team To Be Organized

Monday, March 14, will inaugurate the initial turn-out of potential tracksters for Central Point. This will make the first time in several years that track has been an organized sport. We plan to have several meets with schools our size, and larger, throughout the remainder of the year. So far, one quadrangular meet with Kerby, Gold Hill and Grants Pass has been scheduled for May 7. On Thursday, March 10, the J.D.J. coaches will meet to draw up a schedule for participating schools.

In about two weeks, we are planning an interclass jamboree in which we hope to uncover some promising talent that will make the "Pointers" a championship team.

Track is an especially good sport in that size or previous experience doesn't necessarily mean much. Those fellows too small for football, not tall enough for basketball and not experienced enough for baseball will often find their "spots" in track and field events and become great competitors and fine sportsmen.

HAYWARD RELAYS

Those fellows who can qualify and meet the required standards will have an opportunity to compete in the Hayward Relays on April 23. Several hundred participants meet each year and among those are some of the best trackmen in the nation. Any boy or team of boys who takes a first or places in any of the events can well feel proud of himself for a job well done. We hope to be justifiably proud of some of our boys.

Any of you fellows interested in turning out for track contact me this week or next week when conditioning will begin.

Coach Warner and I will conduct a series of tests to determine the right man for the right event.

—Coach Wilbur.

Seniors Attend Meet At Medford Sr. High

Fourteen seniors, accompanied by Mr. H. P. Jewett, Superintendent, attended a meeting of students interested in college, at the Medford Senior High auditorium, Tuesday, March 1.

Speakers at the meeting, who presented information concerning the activities and fees of the colleges they represented, were Dallas Norton from Oregon State College, Dr. Duchane, University of Oregon, and Dr. Elmo Stevenson, representing Southern Oregon Colleges of Education at Ashland, La Grande and Monmouth.

Basketball Benefit To Raise Funds

A series of tumbling, and basketball and volley ball games will be held at the high school gymnasium Friday, March 11, in order to raise funds to put lights on the football field.

The games will consist of the local high school team competing with the Miller Cubs, the Faculty versus the Lions Club in volleyball and the Lady Lions against the high school girls' volleyball team, and tumbling by the boys' physical education classes.

Approximately \$1000 has been raised for the lights and \$1700 more is needed.

Admission prices Friday night will be 50 cents for adults, 25 cents for high school students and 10 cents for the grades.

Medford Wins District Tourney

The Medford Tornado won the district championship and gained a berth in the state tournament at Eugene, March 17, 18, and 19.

The Pointers gave the Tornado a very tough game, their closest game of the tournament, and then dropped it 28-31.

The Pointers' second game was against Kerby. Kerby put up a good battle the first half but the Pointers started their offensive attack and rolled up a 51-32 victory over them.

The Pointers' last game was with the Klamath Pelicans. The first quarter was close as Klamath was on top of a 9-5 score. The accurate shooting and fast breaking team of Klamath came out on top of a 63-27 count.

The Pointers scored 105 points to the opponents' 127.

Les Hansen led the Pointers throughout the tourney with 32. Herb Colley placed second with 21. Monte Walker collected 16, Mike Trautman 10, Wally West 7, John Bigham 7, Merle Anhorn 5, Ted Franks 5, Ed Robinson 2.

College Choir Appears Before Students, Faculty

The 60 members of the Lewis and Clark College Choir appeared before the junior high and high schools last Thursday, as they passed through on their way to Ashland and Klamath Falls.

The choir under the direction of L. Stanley Glarum sang several selections. A boys quartet sang spirituals and one of the young men in the choir played two trombone solos.
