Central Point Team Loses to Prospect

Central Point's semi-pro baseball team held an even split in its two-game practice series with Prospect after dropping a 5 to 3 decision to the visitors here Sunday afternoon. The Pointers had won at Prospect last week Sunday.

Tom Colley on the mound for Prospect kept the home town boys on hand although he was hit hard at times and on several occasions the Pointers put men on base with none or one out, only to have Colley master the situation by making batters ground out or fly out easily.

Cliff Piland hurled for the C. P. team and had several strike outs to his credit but the Prospect nine was able to make its hits count when needed.

Central Point is scheduled to play the Ashland Lithians at Ashland, Sunday, May 8, in another practice game.

Line score:
Prospect.....200 111 000—5
Central Point.....010 000 020—3
T. Colley and Lugneck; Piland and Adams, G. Gitzen.
