Uncle Sam Says

June 17, 1775, 174 years ago, our forefathers fought a great battle for freedom and opportunity at Bunker Hill. Each one of you realizes that to maintain the freedom and opportunity for which they fought you must be ever vigilant in doing your share. One of the country's greatest assets is a sound economy which you can help to uphold. Your government is providing the opportunity through the U. S. Savings Bonds program. If not already enrolled for the safe, automatic way of purchasing Savings Bonds, the great Opportunity Drive, now in progress, is your own individual opportunity.
