Friday, July 29 is the last day for the collection of Duz and Ivory Flakes box tops and Camay Wrappers, sponsored by the ladies of the Presbyterian Church. Convenient boxes have been placed in the Central Point Market, Economy Market, Faber's store, Thrift Market, Setness Variety, and Ekdahl's Self-Service Laundry. The Circle thanks these stores for their cooperation.

Faber's Market has a new pickup delivery truck on the streets of Central Point. Patsy is mighty proud of the thing and threatens to shoot anyone scratching a fender while she is driving it.

Mr. and Mrs. Fields are visiting their daughter in Cheney, Washington. Their daughter expects to leave in August to live with her husband in Japan.

A 8-pound boy was born to Mr. and Mrs. Paul Blumenstein, of Eugene. This is first grandchild of Mr. and Mrs. David Blumenstein of Grant Road. Baby's name is Paul David.

Bruce Lininger and family returned from their two months trip to Washington D. C., New York and many other places in the East.

## SHARP!

Sometimes means trouble.

DO THIS! Go out to the old crate, run your finger across the tread of the front tires.

If the tread blocks have sharp and feathered edges, you have trouble. Front end misalignment!

ALSO very SHARP! The Central Point Millers ball club which plays Rogue River town team Sunday at our ball park at 2:00 p.m. This team has no rough edges.
