Uncle Sam Says

The original 49'er risked life itself in the trek to California seeking opportunity and security. Today, Americans can provide for a secure future during the U. S. Savings Bonds Opportunity Drive now in progress. Instead of having to use a covered wagon, an original of which you will see in principal American cities during the drive, your opportunity will be found right at home.

Local Youth Arrested On Serious Charge

A local young man was arrested this week and is being held at the county jail under a charge of contributing to the delinquency of a minor girl. The youth, a recent high school graduate, and the 14-year-old girl were found in an auto park near Talent.

When the girl did not return to her home one night the father reported to the police. He stated that the girl and the young man in question had been seen together that evening. When questioned by the police the youth confessed the
