An OPEN LETTER To Tony

Medford, Oregon
May 6, 1950

Mr. A. A. Lausmann,
Kogap Lumber Sales, Inc.,
Medford, Oregon.

Dear Tony,—

Received your letter regarding "DAVE HOOVER" committee for Jackson County, etc., but hang-it-all I am afraid you will have to count me out. I am already on Wayne Morse committee.

It is lots of fun crossing swords with my old friends as yourself, Bud, Ben and the Colonel and I am going to get a kick out of it and, at that, I hope I am not going too far astray. The fact is, Tony, I have surveyed the situation I think, pretty well and while I do not agree, as you know, with all the things Wayne Morse has done and said, still on the overall National Republican situation I am not going to jeopardize what I think are our coming success for the Republican party by placing some unknown person in the place of one who is highly regarded, in political circles as a TOP MAN. Should Hoover be successful in the coming primary election it is a dead sure thing that we will have a democrat in Washington from Oregon in place of Wayne Morse.

Morse has helped us in the Rogue River Valley tremendously and can get things done that no one else can. His philosophy of politics, it is true, may be quite different from yours and mine, but in this changing world of affairs, who can say exactly what is the best? No matter what others may say I do know that Morse can help us more than anyone else and I consider him one of the Top Republicans in the Nation, altho, perhaps somewhat liberal in some of his views.

I still love you, damn it,

Sincerely,

WALTER H. LEVERETTE,
