WHY NOT?

Several citizens of the town have suggested that it would be a possible help, and good advertising, if we had a big sign on the highway pointing out the road to Crater Lake Diamond Lake, Fish Lake and other resort and recreation facilities.

As one of the fastest growing towns in Northwest, it would seem a good idea to let the traveling public know that, coming from the north, several miles can be saved by leaving 99 here.

COMMUNICATION:

Every since the present owners have edited The American our motto has been "Try at Home First" therefore we are glad to print the following contribution which we received from a Central Point reader.

WHY DON'T WE WORK TOGETHER FOR A CHANGE?

return their business likewise. No, they have never been in to spend 5 cents. Now if we are going to have a prosperous and a growing town we have got to work together instead of against each other.
