Uncle Sam Says

Political independence, our "Declaration of Independence," was proclaimed to a young and vigorous nation on July 4, 1776, when citizens were summoned to Independence Hall plaza in Philadelphia by the stentorian tones of the historic Liberty Bell. The actual tone of the Liberty Bell will again be heard throughout the nation during the U. S. Savings Bonds "Independence Drive" May 15-July 4. This time it will peal forth a message of financial independence for the individual, a reminder to every citizen of the importance of savings and Savings Bonds. They make you better equipped to face the future, secure in the reality that yours will be a better, more comfortable future.

THIS IS OREGON TOURIST HOST WEEK

Mr. and Mrs. Floyd Hedgpeth went to Crescent City and Gold Beach, Saturday and returned Sunday.

Miss Louise McDowell, daughter of Mr. and Mrs. Clark McDowell, is leaving this week end by bus to visit at the home of her uncle, Lester Hansen, in Los Angeles. Before returning, she will also visit in San Francisco at the home of her aunt, Mrs. Ardis Mack.

Mr. and Mrs. Ray Kelley and daughter recently returned from a trip to visit her sister in Portland and her mother in Washington. The daughter, Janet is now confined to her home with mumps.

On Wednesday of this week Mr. O.T. Wilson was on his way to his ranch in Sams Valley. When he neared the Elmer Wright place, he saw a doe and her two tiny fawns in the road. This is a most unusual sight as the mother deer usually keeps her young hidden for some time.

Mr. and Mrs. William Wearne II are at last the very proud grandparents of a baby girl. The baby was born to Mr. and Mrs. William J. Wearne III on June 26 at the Com-

munity hospital in Medford. The grandparents were reported to be doing as well as could be expected at their home in Sams Valley and the mother and daughter were also getting along nicely.

Mr. and Mrs. Ray Anders and Mr. and Mrs. V. E. Noel and daughter, Vicki, left Saturday evening for the week end, drove to Coos Bay where they spent the night. Next day they drove up the coast and visited the Sea Lions Caves, then back down to Florence and on home, Sunday night. Had perfect weather and a fine trip.

Suzie Culbertson is quite ill and is under the doctor's care. She is staying in the home of Mrs. Carl Hover, who is caring for her.

Arriving last evening to visit at the home of Merrill Harsh were Mr. and Mrs. Emil Berndt and son, Dale from Denver, Colorado. They came through New Mexico, Arizona, Nevada and up the coast of California. At Brookings, they saw the field of lilies and preparations for the lily festival. Mrs. Berndt is a sister of Mrs. Harsh.

THE TOURIST TRADE is always best where forests are green and growing. A great menace to forests is fire; fire that reduces trees to smoldering snags, dries up streams, kills wildlife and fish, and destroys recreation areas.

Man is responsible for ninety percent of our forest fires through carelessness. We can all help to reduce this damage by being careful with fire in wooded areas.
