ECONOMY MARKET TO OPEN SATURDAY IN NEW LOCATION

The Economy Market, operated by Mr. and Mrs. Larry South, will open in its new location at 420 Pine St. on Saturday, July 8th. In this much larger modern building, the Souths plan to have one of the most modern markets in this community, and they invite everyone to inspect their facilities.

Fresh produce will be available at all times, from the latest in refrigerated produce counters. Other new equipment include an open display dairy case and cabinets to handle a larger and more complete line of frozen foods. The market will continue to carry Sniders Quality Ice Cream, as well as the Arden line of specialty items and ice cream in many flavors.

Andrew and Paul McQuat have leased the meat market and open an up-to-the-minute meat market to be known as Mac's Meat Market. The McQuat brothers will handle all cuts of top quality meat at all times.

During the grand opening day, Saturday, there will be free hot dogs, assorted luncheon meats and coffee served by the Golden West Coffee company. For the kiddies, there will be ice cream bars and balloons.

Also, Saturday, there will be a jar filled with beans displayed in the window; the person most nearly guessing the correct number, will receive a nine piece set of cutlery given by the Economy Market and a Cascade ham by Mac's Meat Market.

Seen on the Street

Central Point was very quiet over the week-end with many families taking advantage of the long holiday to seek respite from the heat by driving to mountain and stream picnic grounds and resorts.

Mrs. Mary Moore, one of the Central Point's avid baseball fans, was seen yelling her head off at the game Sunday between the Central Point Millers and the Glendale nine.

The sweetpeas blooming profusely along the fence beside the railroad tracks on the Fred Hesselgrave place are a grand advertisement for Central Point to any travelers on the trains. Mrs. Hesselgrave has been kept busy for some time trying to keep the blooms picked and her many friends have enjoyed many bouquets of the fragrant blooms.

Persons out of doors the evening of the Fourth had quite a fireworks display as the various homes along the foothill roads shot off their rockets.

Bill Askwith complaining about the heat in Brookings. Said it must have been at least 90°, which on the coast is hot.

Ken Powell rushing around speedily beating out a grass fire. He said he didn't mind the extra exertion, it added spice to an otherwise dull day. After all, Ken needs the practice, being a member of the fire department.

While waiting for traffic to pass so that we could cross the highway we witness an incidence which might have caused a serious accident. One of the many large trucks passed us going empty to Medford. The driver had carelessly laid a spare wheel and tire on the flat truck bed. Going over a bump in the road the tire bounced off and lay in the middle of the road.

If another car had chanced to be following the truck it would have been impossible to avoid hitting the tire, thus chalking up another needless accident. Truck drivers should take precautions to avoid such incidents.

SUNDAY SCHOOL PICNIC

Members and friends of the Presbyterian church will hold a Sunday school picnic at the city park, Thursday afternoon, July 13th beginning at 4:30. There will be relay races and games for the children preceding the picnic supper at 7 P.M. Plan to come and bring the family.
