Leg Broken in Fall From Tree

While climbing a tree on his father's ranch last Thursday afternoon Raymond Hilton, 12, had the misfortune of clinging too strongly to the slender treetop which broke under his weight and plunged him to the ground breaking his leg and badly spraining his ankle.

His mother, Mrs. Floyd Hilton, was watching from the kitchen window of their home when her son fell. He was rushed immediately to the Community hospital in Medford, where he is resting easily at the present time.

Raymond is the grandson of Mrs. Fred Hesselgrave of Central Point. He has had several close calls with disaster in the past and nearly landed on a jagged stump this time, which would have been much more serious. He says he thinks twelve feet is a bit too far for an easy fall.

Reception Held For Newlyweds

On Thursday, June 29th a reception was held for Mr. and Mrs. Leo Berg, who were married in Portland on June 24th, at the home of the bride's parents, Mr. and Mrs. L. A. Camp at 536 Oak St. in this city. About fifty friends gathered to enjoy a most pleasant evening on the lawn where the reception was held. After visiting and greeting the new bride and groom, a wire recording was played of the complete wedding ceremony, which all enjoyed.

Refreshments of cake and punch were served from a beautifully decorated table with the cake and lighted candles. The happy couple received many lovely gifts, including a nice blanket the gift from the Church of Christ.

THE TOURIST TRADE is always best where forests are green and growing. A great menace to forests is fire; fire that reduces trees to smoldering snags, dries up streams, kills wildlife and fish, and destroys recreation areas.

Man is responsible for ninety percent of our forest fires through carelessness. We can all help to reduce this damage by being careful with fire in wooded areas.
