GAME RESULTS OF STUDS
AT STATE TOURNAMENT:

Studs 10—Banks 3
Studs 8—Reedsport 1
Studs 1—Archer Blower 3
Studs 1—Albina Fuel 0
Studs 3—Reedsport 9

The Central Point Studs placed fourth at Silverton in the State Semi-pro Baseball Tournament, winning three games and losing two. In their final game against Reedsport the Studs just did not have it. They were mentally tired after having played three games in four nights but, even then they made a very creditable showing. The Arch Blower game, which the Studs lost 3-1, and the Albina Fuel game, which the Studs won 1-0, were considered the best played games in the tournament.

This Sunday the Studs travel to Myrtle Creek for a Southern Oregon League game. This game has considerable bearing on the league standing as Myrtle Creek is now in third place and a win for them will keep them mathematically in the running for first place.

SPORT CHATS

The local softball league starts a third round play with games set for every Tuesday and Thursday evenings. Local ball fans should not miss seeing these games as the teams are very evenly matched and there have been three or four sur-

prise upsets. Games start at 7:30 p.m. on the lighted High School football field. This is a cool way to spend a warm evening, watching two good games. Admission is only 15c.

At this point the American League is a three way contest with the Detroit Tigers in first place and the New York Yankees and the Cleveland Indians, each two games behind the leaders. Anyone of the three could top the circuit with a spurt from now on out. In the National League the Philadelphia Phillies now enjoy a three game lead. In the Pacific Coast League the Oakland A's have just about sewed up the championship with an eight game lead. In the Far West League it is a drag out finish between Redding and Klamath Falls. Redding has a one and half game lead but Klamath has added strong new reinforcements in the past few weeks and anything can happen in the last month of the season.
