Letter To The Editor

September 12, 1950

Dear Editor,

It seems that the people in Medford and vicinity spend much time in malicious gossip and slander, to the extent of destroying innocent ones character. The most of these people should have the least to say.

Such malicious gossip and slander ruins anyone's social standing. Not only for grownups but also for innocent children. Any connecting of my name to any slanderous, charge will be taken into court against actor damaging remarks in the future guilty parties. Gossip is cheap.

Mrs. M. Caldwell
