Meet Our Teachers

The first of our third grade teachers is Miss Mable Dotson who makes her home with her parents, just at the edge of town on the Central Point-Jacksonville highway. After having taken schooling at Eastern Oregon College of Education and summer sessions of University of Oregon and Southern Oregon College of Education, she has taught 13 years in Jackson and Josephine counties. Her interest is in Primary children and the training of them in the classroom to be good citizens.

Mrs. Ruby (Glenn) Downing makes her home at 920 E Pine with her husband in a grand new house. Their son, William is now in Korea, while the granddaughter and her mother live in Medford. Having attended Ashland high school and college, she has since taught 12 years in Jackson county. Not only interested in third graders, she takes part in many other community activities—being secretary for the P.T.A. and also belonging to the Central Point Grange, Rebekah lodge and American Legion Auxiliary. Returning to teaching this fall is Mrs. Florence (Nathan) Pinkham, mother of three girls. As a native of North Dakota, she received her training at North Dakota Teachers college and has since attended University of Oregon and S.O.C.E. After three years experience in North Dakota, she came to Oregon where she has had five years at Noti, Junction City and Central Point. Her third grade holds their classes in a room at the Church of Christ. The Pinkhams make their home at 355 4th St.

Our new third grade teacher is Mrs. Jo (Martin) Pitts, who makes

her home at 447 Cedar street. As a mother of a small son and daughter, she is beginning her teaching career here in Central Point. Mrs. Pitts attended Arizona State College at Tempe, Arizona. One of her interests is softball, having played on a Girls' World Champion Softball team.
