### Classes Choose Queen Candidates

The student body held class meetings last week to elect candidates for the carnival queen.

The senior class elected Beverly Ann Moody, Bev, at seventeen, has brown hair and eyes. She weighs 120 pounds and stands five feet three and one-half inches tall. She was born July 22, in Los Angeles, California. Bev came to Central Point from Jacksonville in her junior year. She is a yell leader and the president of G.A.A.

Marsha Rae Doran is the junior queen candidate. She has blue eyes and long auburn hair. She stands five feet four and tips the scales at 112 pounds. As a junior, Marsha is only fourteen. She has lived on the Table Rock Orchard all her life and says she doesn't want to move.

The sophomore class has chosen Harriet Pearl Morris. Harriet, at fourteen, has blue eyes and long blonde hair, naturally curly, too. She is five feet four and one-half and weighs 118 pounds. She also lives at Table Rock. Harriet is the sophomore class president and point manager of G.A.A.

### King's Teens Holds Meeting, Nov. 9

Bill Tillman, Pastor of the First Baptist Church of Ashland, was speaker at the last King's Teens meeting, which was Thursday, November 9.

That meeting was held at the Burns' home on Fourth and Alder, because of "open house" in the music room. The future meetings will, however, be in the music room every Thursday.

### Class of '51 Still Holds Record

The class of '51 still holds its record of always coming out on top of the honor roll.

An error was made in tabulating the grades of one senior girl, so this puts the class of '51 ahead for the last six weeks and still undefeated in placing first on the honor roll for over three years.

### Emrico Entertained C.P. Students, Nov. 8

The students of the Central Point Schools enjoyed the magic of Emrico, sponsored by the F.F.A., Wednesday, Nov. 8 at 12:50 P.M.

One of the best liked tricks was when Emrico put his hand in the hat to get the rabbit by the ears, and instead pulled out a small skunk. Three of the high school students participated in his show. Nancy Milhoun had her arm cut off and put back together again; Billy Allen was pale as a spike was put through his neck and Edwin Erickson was shocked as his shorts were taken from him. The show was concluded when Emrico made the little skunk disappear. Everyone believed that the skunk was in the chair but to show them that it wasn't he picked the chair up and it folded into a suitcase.

### G.A.A. Holds Meeting

President Beverly Moody called a G.A.A. meeting together in the gym on November 8.

At this meeting they discussed the various athletic committees. Also a barn dance was planned, for November 22. Committees for this dance were appointed. Lollie Jewett, secretary, read a letter about our G.A.A. members uniting with all other G.A.A. groups. This plan was voted into place. Meeting was adjourned.

that most Americans are capable of paying their own bills, planning their own budgets and mapping their own futures.

that most Americans resent having politicians or bureaucrats tell them *what* they need, *where* to get it and *how* to pay for it.

that most Americans prefer to solve their problems—medical or otherwise—by means of self-reliance, free choice and voluntary methods.

that most Americans will work and fight to preserve freedom, both at home and abroad.
