

Basketball Schedule For Local Team Lined

The Central Point High School basketball squad will not have a tall team this year and will depend on speed and deception. The team is short on material with only Herb Trautman and Les Findley having any high school experience in basketball. Coach Leonard Warren is not counting on winning many games, but his plans are for developing and rebuilding a basketball squad at the high school.

The Pointers open their season against a strong Jacksonville hoop team here on December 9th. A twenty-two game schedule is allowed by the rules set by the Oregon State High School Athletic Association. To date the Pointers have seventeen scheduled games and will add at least five more games, which will be announced later.
