Faculty Gives Seniors Hard Battle

The senior Hot Shots came through with a victory over the faculty Comets. The final score (according to the score board) was 43 to 45. Mr. Schopfer was really hot and netted 21 or 22 points for the faculty (from the scoring table no less!!!).

The referees, Punk Munroe, senior (???) and Deaton Tucker, (defending the faculty), were really on the job or should we say on the bench. They never let more than twenty men on the floor at a time and it was said that they didn't miss over half the fouls. "Oh well, they will get another chance next year," according to Mr. Melbye.

Girls' League Stage
Sweetheart's Ball

Foremost in the news spotlight of Crater High is the seasonal event. The Sweetheart's Ball, which is to be held on February 15 in the school Cafetorium. Under the sponsorship of the Girls' League, the affair is the first formal event in the history of Crater High.

A feature of the ball will be the coronation of the Sweetheart Queen who will be selected from the following four candidates: senior, Esther Snook; junior, Charlene Paull; sophomore, Doreen Bohnert; freshman—tie between Marvis Stephenson and Virginia Dew. A re-vote will be taken.

The male portion of the student body shall determine, by popular vote their choice of the princesses in a final election to be held Wednesday, February 13.

According to Miss Aasen, Crater's Dean of Girls, a well known dance band under the direction of Bob Rice, will furnish the music for the evening, and a program under the direction of Lois Vanderpool will provide entertainment during intermission.

The Cafetorium will be decorated in the traditional Valentine fashion to provide an effective atmosphere for the occasion.

Prices for admission are listed as \$1.00 per couple.

Art Students
Enter Art Contest

Just call them Rembrandt or The Whistler. Who? Why some of our art students of course. Mr. Holbrook sent about 27 pictures, done by students, to a contest in Portland. These pictures will be rated and if they are rated high enough they will be sent back East. This is a regional contest and is sponsored by Meir & Frank's Store in Portland. This contest will last from February 11 through the 22. Many nice compliments were heard about these compositions, and so keep hoping artists, many fingers will be crossed for you.

Best results from concrete demand that the concrete be right, from the start. That is why knowing builders specify our Ready Mixed Concrete. First, we use only top-grade materials. Then we measure the proportions as strictly as if they were metered. Then, we mix them all, completely—mechanically! For big jobs OR small.
