

NEWEST POINT SYSTEM STARTED FOR CENTRAL POINT JUNIOR HIGH

200 Points are required to earn the HONOR AWARD

SCHOLARSHIP: Points are recorded for scholarship at the end of each six week's grading period and are taken from the report cards.

Each grade of 1 4 points
Each grade of 2 2 points
No tardiness for six weeks 2 points

SERVICE: The following points are to be earned for one year's faithful service:

STUDENT BODY OFFICERS
President 25 points
Vice-President 15 points
Secretary 25 points
Trophy Custodian 10 points
Editor of School Paper 30 points
Assistant Editor 15 points

BAND
Forty per cent of the points earned in Band are to be applied on the Honor Award. This is to offset the Band students' inability to participate in other activities.

HOME ROOM

with a "by-line" 4 points

The students who earn the Honor Award are eligible to join the Honor Society, which shall be known as the Athenian Club, and they shall be duly initiated into the club. These Honor students are worthy of receiving special duties of a responsible nature and shall be granted special privilege as the Administration deems advisable.

\$2,500,000 IN CLOSET

Reno, Nev.—Burglars entered the home of L. Redfield, millionaire investment broker, and made off with a safe containing some \$2,500,000 in cash, jewelry, and negotiable securities. Redfield, who moved to Reno seven years ago, had made a fortune dealing in oil stocks. The safe was hidden by clothing and suitcases in a bedroom closet.

IN TAX JAM—

Mobile, Ala.—Albert Elmore recently received a summons, delivered by a U.S. deputy marshal directing him to answer charges in Federal Court at Birmingham, March 20th for—failing to file a return on income of \$14,047 for 1948; 9,093 for

1949, and \$8,636 for 1950. Not unusual—well Elmore is a Mobile tax consultant.

HELMET SAVES BOY—

Los Angeles, Cal.—Dick Stewart's prize possession was a shipyard worker's battered helmet. The toy

saved the 10-year-old boy's life recently when a cave he and his pals were digging caved in, burying him. Recuers dug frantically for five minutes. When they pulled Dick out, they found the helmet had slipped down over his face and formed an air pocket, which saved his life.

PLAN Your Laundry Lighting!

Ease Your Washday Work!

When the light is dim, how can you be sure that all the spots are out of your wash?

Why take chances? Good lighting in your laundry will help you get out all the dirt the first time because you can see easily and quickly.

Our Home Lighting Specialists are ready to help you PLAN your lighting. Their services are free, so call us, won't you?

CENTERPOISE POWER

Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

LARGEST BRAKES

Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

WIDEST COLOR CHOICE

26 rich new colors and two-tone combinations... widest choice in Chevrolet's field. New De Luxe interiors are color-matched.

BODY BY FISHER

Fisher Body sets the standard—for styling, for craftsmanship, for comfort! Fisher Uni-steel construction is extra strong.

UNITIZED KNEE-ACTION RIDE

Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorbers give even finer ride control.

WIDEST TREAD

Chevrolet measures 58 3/4 inches between centers of rear wheels—a broader base to give you more stability, less sway!

Lowest priced in its field!

This beautiful new Styleline De Luxe 2-Door Sedan—like many Chevrolet models—lists for less than any comparable model in its field. Continuation of standard equipment and trim illustrated is dependent on availability of material.

4-WAY ENGINE LUBRICATION

Chevrolet's exclusive engine lubricating system supplies exactly the right kind and amount of lubrication to each moving part.

CAST IRON ALLOY PISTONS

The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND

Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-round view.

POWERGLIDE AUTOMATIC TRANSMISSION

Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

MOST POWERFUL VALVE-IN-HEAD ENGINE

Teamed with Powerglide is the most powerful valve-in-head engine in its field and an outstanding performer in any field!

No other car in Chevrolet's field offers you a single one of these features. Yet you'll find many of them in America's most costly cars. Here's proof that you're value ahead with Chevrolet... again in 1952 the lowest-priced line in its field! Come in and look it over. MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

The Only Fine Cars PRICED SO LOW!

Notes and Comments

Snow, which was pretty in November, has lost its charm.

Never waste time by telling people your troubles; they have their own.

Sports aren't everything but they provide good competitive training for boys and girls.

The best way to get along with people is to smile, be friendly, and seldom say what you think.

You may not know it but your dog can sense your thoughts and moods before you announce them.

We can't resist a smile when some ex-Communist who is now out to save the country tells us we don't understand the threat of Communism; we have understood it all along.

Have you made your contribution to the Red Cross this year? If not, this is the month to make it.

The bombastic big-shot, financial success and all, will one day reach a reckoning with little people he has trampled.

PATIENT—

Pound, Va.—Called on to rush a sick patient to a hospital, Billy O'Dell, local undertaker, responded. The patient was treated and returned home but O'Dell, who became ill during the trip, was kept at the hospital to have his appendix removed.

Best results from concrete demand that the concrete be right, from the start. That is why knowing builders specify our Ready Mixed Concrete. For we use only top-grade materials. Then we measure the proportions as strictly as if they were weighed. Then we mix them completely—mechanically! For big jobs OR small.
