

TAX MEET PLANNED FOR OSC DEC. 4-5

Oregon State College—Oregon's tax situation will be discussed by more than 20 tax experts, including half a dozen members of the legislature, at an Oregon State Tax conference at Oregon State college December 4 and 5. The conference is sponsored by the OSC department of economics and is open to the public.

The 1951 legislative session interim tax and fiscal revision committee will conduct a panel discussion on whether Oregon's tax system needs simplification and modernization. The sales tax will be the subject of another panel made up of representatives of education, labor, agriculture and business.

Speakers will include Governor Douglas McKay; Dr. Marvel M. Stockwell, professor of economics at University of California at Los Angeles and president of the Western Economics association; Dr. A. L. Strand, president of OSC; and E. B. MacNaughton, chairman of the board of the First National Bank of Portland.
