

Around Our Town

By Our Roving Reporter

It was reported in last week's paper that Allison Pinkham had scarlet fever, later it was found that it was Infectious Hepatitis. She will have to remain at home and in bed most of the time for the next two weeks. An interesting article about this disease appears on the front page.

Does it mean spring when the birds come back to the valley? Recently it hasn't felt too much like spring but many different types of birds are making return appearances. Grosbeak, robins, chickadees (two types) and many familiar others.

Mr. and Mrs. M. L. Curtis have completed installation of gas and gas ranges in the kitchens at Willow Trees Court.

Mr. Edwin Gohard is vacationing from his Diesel Engineering work in the East, at Tampa and Miami, Florida and other places in the South East.

Robert Colley visited friends and relatives here over the week end.

Spring Play Cast Chosen at Crater Hi

The Curtain Callers are now at work on "Double Door", a three act drama by Elizabeth McFadden.

Family pride, like anything else in this life, can be pursued to a fetish and from there on it's a mania if one is inclined to dwell inordinately on such a hobby. The disease is apt to break out in mild form in some old lady in any family—but with Victoria Van Gref it pyramids into insanity.

Cruelly and relentlessly she rules her family. Her young half-brother marries a girl of lower social position and Victoria's cold rage is fixed against the lovely bride. Her cunning increases with her insanity, and she stealthily plans the girl's unhappiness, even to death. But never once does she lose the outward charm of the born aristocrat. Always she commits her atrocities in the manner of a true Van Bret.

Double Door will be produced March 26th and 27th, by the following cast: Gail Skyrman, Gwen Moore, Vicki Noel, Andrew Taylor, Peto Thompson, Nathan Douthitt, Delores Coggins, Dave Bigham, Jody Martin, Ernest Haveman, Billy Allen and Marshall Kelly.

Many technical stage problems in construction and lighting will be worked out by Bill Gregory.

"The Best Results I have ever had"

"Of all the egg mashers I have ever used, Triangle Xtra Egg Producer has given me the best results I have ever had. For instance, this year, on a flock of pullets that have never been culled, I have been getting an average production of 81% over a three months period."
