

Swedish, German School Students Visit Table Rock

By Mrs. Ray Doran
Table Rock Correspondent

Mrs. Marjory Hubbard of the American Field Service and two exchange students from Germany and Sweden who have been attending high schools in America were recent guests of Mr. and Mrs. Dick Reums. Mrs. Hubbard and students are touring the western states.

Mr. and Mrs. Ray Doran and Linda; Mr. and Mrs. Harold Sharp and Allan; Mr. and Mrs. Dave Doran and Tamara left Saturday for Diamond Lake for the weekend. Fishing was very poor but lovely weather for boating and swimming. Big deer tracked through camp during the night and several were seen along the road. The sleeping bag occupants were only afraid a bear might show up.

Robin or Woodpecker

There has been reported an albino "robin" by one observer. Another claims it to be an albino "woodpecker." Unless it is shot down, no one will ever be sure, at any rate, it is a rare specimen and good material for a taxidermist. It seems to be staying around the orchards here.

Mr. and Mrs. Ivan Myers and children of Gold Hill were dinner guests Saturday at the Frank Myers in honor of Gene's 11th birthday.

Mr. and Mrs. Everett Brown, Fred Smith, Ernest, Wayne and Lucile; and Miss Grace Bigham motored to Dead Indian Soda Springs Sunday.

Aletta Myers is spending a few days with grandparents.

At Butte Falls

J. Otis Hedge is spending a few weeks at Butte Falls where he is doing some cabinet work.

Mr. and Mrs. Russ and family of Grants Pass were dinner guests Sunday at the Orville Hamilton home. Mrs. Russ and Mrs. Hamilton are sisters.

A brush fire on the Bill Isaac property on Rogue River spread during the afternoon Monday to a small section of the Tou Velle ranch. No damage resulted as there were no buildings near. Because of a stiff breeze the Central Point rural fire department was called to put it under control.

Several from this district have been attending the meetings being held in the Central Point Community Bible church regarding the Christian school program which may be organized in southern Oregon.

Car Now Bus

John Morris has been using his car as a bus. When he took Jeniene Tuman to youth camp with a group from the Baptist church of Medford, he brought home a car load of the children of the younger group who had spent the past week in the Baptist Union Rogue camp at Union creek. Cheryl Tuman, who was in this group, had to be brought home Saturday night because of illness.

Mrs. W. E. Morris left Saturday night by West Coast Airlines for a visit with her son, Edmond, in Seattle. This was her first trip by air and she was much thrilled by it.

Mrs. Clara Gardner and Mrs. G. R. Ringo of Medford were afternoon callers Monday at the E. R. Nealon home.
