Anita, who flew by TWA Airlines, landed in Rome and has visited Pompeii, several trips to the Isle of Capri, St. Peter's Cathedral and other points of interest. She plans to leave Rome August 6 and to arrive in San Francisco, Calif., on August 7 where she will be met by her mother, who plans to fly to the Bay city. The two ladies will spend a few days while in San Francisco and return to Medford and home by plane. Anita is an outstanding 4-H member here in the Applegate.
