Plan to visit our new, enlarged store Saturday.

In our move across the street, we have secured more space to bring you a larger selection of merchandise. New displays will allow you to select your needs easily. Come visit us--often.

We're proud . . .

of our new prescription department. We'll be able to give you faster service. As always, we'll carry a complete stock of drugs and pharmaceuticals for your every need. Be sure to come in when you have prescription or drug needs.
