New Name Given Residence Area Near Gold Hill

By Adah Jones

GOLD HILL—The fast growing residential area across the Rogue from Gold Hill would like to be identified with a new name. In previous years it was the Old Stage Road, but that name could cover the miles between Jacksonville and Grants Pass. Now since the new stretch of Freeway 99 is on that side of the river two shorter roads are used by the local residents. The highway identifies the one just below Echo Mountain as the South Frontage road and the one north of the highway as North Frontage road. This latter road is called Park Way by some at it leads past Ben Hur Lampman State Park.
