

Comets-IV to Meet On Gridiron Friday

The Comets of Crater High will return to their home field Friday evening, October 14, to host Illinois Valley in a Rogue League contest.

Game time has been set at 8 p.m. on the Junior High field.

Illinois Valley is currently holding down the bottom rung of the league ladder with two defeats at the hands of Phoenix and Eagle Point. Crater last weekend dropped their first league tussle to Phoenix.

Pointers to Face McLaughlin Saturday

Coach Bill Esselstyn said that the Pointers are shaping up and are looking forward to this tussle.

The 10 Commandments of Safety

- 1 Treat every gun with the respect due a loaded gun. This is the first rule of gun safety.
- 2 Guns carried into camp or home, or when otherwise not in use, must always be unloaded, and taken down or have actions open; guns always should be carried in cases to the shooting area.
- 3 Always be sure barrel and action are clear of obstructions, and that you have only ammunition of the proper size for the gun you are carrying. Remove oil and grease from chamber before firing.
- 4 Always carry your gun so that you can control the direction of the muzzle, even if you stumble; keep the safety on until you are ready to shoot.
- 5 Be sure of your target before you pull the trigger; know the identifying features of the game you intend to hunt.
- 6 Never point a gun at anything you do not want to shoot; avoid all horseplay while handling a gun.
- 7 Unattended guns should be unloaded; guns and ammunition should be stored separately beyond reach of children and careless adults.
- 8 Never climb a tree or fence or jump a ditch with a loaded gun; never pull a gun toward you by the muzzle.
- 9 Never shoot a bullet at a flat, hard surface or the surface of water; when at target practice, be sure your backstop is adequate.
- 10 Avoid alcoholic drinks before or during shooting.

Pointers Lose Opener 13-6 To Ashland Team

The Pointers of Central Point Junior High fell before Ashland Junior High last Thursday evening at Ashland 13-6 in the season opener for the locals.

The single Pointer score came in the first quarter as the locals pushed 70 yards for paydirt the first time they had possession of the ball. Loyal Higinbotham went over for the tally on an end run. Ashland went scoreless until the final two frames when they ground out two touchdowns. Coach Bill Esselstyn reported

that the Pointers were weak on line play and tackling. The squad has been working this week on strengthening these areas in preparation for the McLaughlin game Saturday.

Coach Esselstyn reported that the "extra" fifth quarter was quite successful. All Central Point squad members, who did not see action in the regular game, played in the extra period.

RETURNS TO DUTY

Sgt. James R. Hopkins, brother of Mrs. Donald A. Faber of Central Point, left Sunday after being here for two weeks. He enjoyed deer hunting with his father, James Hopkins of Medford. Sergeant Hopkins will be discharged from the service in March.

Tornado Blanks Comets Friday With 37-0 Score

Medford Black Tornado showed too much power and zip for the Crater Comets last Friday evening on the Medford gridiron as they blanked the locals 37-0 in a non-league, non-conference tilt.

With this victory, the Medford squad has won two of the last three clashes with Crater.

Last Friday evening, the Comets were bottled up on both the ground and air as the Tornado crew exhibited a wealth of drive and punch.

The Comets threatened only once during the game, when they penetrated to the Medford 23. They were unable to move deeper as Medford held and lost the ball on downs.

Medford scored 23 points in the first half and added two more tallies in the final frame.

Outstanding Crater performances were turned in by John Shama at end, Mel Harsh and Nathan Douthit as defensive line backers, Don Goyette for his offensive running, George Juveland for his offense and defense work.
