

FALLOUT CLOUD could look much like this artist's conception following an attack on a target city, such as the 76 target areas which will be assumed hit during Operation Alert, 1956 (July 20-26). Radioactive dust in the bomb's mushroom could be blown 200 miles or more downwind from the blast area, covering the countryside with radioactive material which

for days could bring injury or possibly death, to anyone not under cover. In rural areas, a basement, root cellar or "cyclone shelter" would be the best shield from radiation. Such a shelter should have food and water for at least seven days, and a battery-operated standard radio to receive emergency instructions from civil defense broadcasts. (FCDA Photo)

Hay Bales Lost To Fire Thursday In Table Rock

By Mrs. Ray Doran

TABLE ROCK—Rural firemen from Central Point were called out Thursday afternoon, July 12, to a field fire on the A. C. Allan ranch where several bales of hay were destroyed.

Mr. and Mrs. Ray Doran and Dan Doran were dinner guests at the home of their daughter, Mrs. H. Sharp, in Medford, Friday evening.

Thursday night fireworks provided by nature were reported to be the worst Table Rock has had in long years. A good many transformers were struck leaving darkness and telephone service on some lines was out for days.

One bolt struck on Pumice Lane, jumped to a telephone wire and blackened the wall around the telephone in the Everett Bown home.

The Jess Elder family moved into the house on Table Top ranch where he is working.

Mrs. Grace Elliot from California visited her friend, Mary Darling, last week.

Mrs. J. Burton and children of California spent several days visiting her sister, Mrs. Elmo Stalling.

Mr. and Mrs. Allan Fleischer and children visited her sister, Mrs. Dean Inglis, and family at Mountain View, Calif., and spent some time in San Francisco.

Nima Cook and Carolyn York and two children, Medford, visited Mrs. Julia Myers on Monday.

Mary Myers escorted her grandson, Terry, to a birthday party held for Bobby Patton on his third birthday by his mother at their home in the Antelope district. There were 17 little folks present.
