

Table Rock Folk Hold Mosquito Control Meeting

By Mrs. Ray Doran
TABLE ROCK — A mosquito control meeting was held Wednesday night at the school house. John Nealon was elected to head the meeting.

Dr. A. E. Merkel, county health officer, and Walter Sutherland, of the county sanitarian's office, were present.

The county spray along the highway kills the mosquito larvae and the aerial dusting kills the adult pest, but, it was pointed out, neither program reaches the breeding grounds at the foot of the rock. It was suggested that each farmer keep his own ditches and pools oiled and treated.

Mr. and Mrs. Larry Hull and children motored to Portland Wednesday and returned Thursday evening.

Mr. and Mrs. Ray Doran and Linda left Saturday for Bonanza, Oregon, where Linda visited with her friend, Carol Alberts, formerly of Central Point. The return trip Sunday evening was made by way of Lake of the Woods and Fish lake.

Rita and Anita Pierce and Judy and Barbara Wheeler enjoyed the Shrine circus last week.

Albert Myers celebrated his 12th birthday Sunday afternoon at Tou Velle park with a family picnic.

Mrs. Curtis and Mrs. Thorman, Medford, were Saturday callers at the Frank Myers home.

Mrs. Arthur Doty returned this week from a visit in Carson City, Nevada.

Mr. and Mrs. Perry Wright, Enumclaw, Wash., visited the Walter Timms Saturday and on Sunday. Mr. and Mrs. and Mrs. Vernon Shermer, Klamath Falls, were visitors.

James Vanderpool spent Friday through Sunday visiting in Salem.

Mrs. Venzel Lockard and daughter, Medford, were Monday evening dinner guests at the John Morris home.

Earl Edmonds and son, Lonnie, are visiting his sister, Mrs. John Morris, and family from California.

Dorcas Johnson, Phoenix, spent Sunday through Tuesday with Gjenna Brown.

VISIT FROM TACOMA

Mr. and Mrs. Leo Obenchain and children, Leo Jr., Sylvia and Duane, were visitors in Central Point earlier this week. They visited Monday at the home of his cousin, Mr. and Mrs. Oliver Obenchain. The Obenchains expect to make their home in Tacoma for the fall and early winter months while he is employed on a project on Vancouver Island.

Oregon has been the nation's leading lumber producer since 1938.

OLD STAGE REALTY

When your friends or relatives are looking for a home, ranch, or business property, please bring them in. We have several good listings of Central Point, Medford and rural property.

MULTIPLE LISTING REALTOR

Fairest of Them All

"Mirror, mirror on the wall — who's the fairest of them all?" No one can deny that Maid of Cotton Patricia Ann Cowden, of Raleigh, N. C. must be ranked among Dixie's fairest flowers. Her great wisdom is also in evidence as she shows her preference for United States Savings Bonds — one of the fairest and best methods of saving for the big things in life. Pat has a genuine knowledge of Savings Bonds, having served as bond clerk in the North Carolina bank where she worked before her selection as cotton queen. Pat is only one of over 40 million Americans who feel more secure because they own U. S. Savings Bonds.

December Flood Damage Totals Over 17 Million

Floods of December, 1955, in western Oregon caused damages totaling \$17,896,600, according to preliminary figures released by Colonel Jackson Graham, Portland district engineer.

Summary of damages, Colonel Graham pointed out, is preliminary and subject to change before appearing in a final report. He said, however, changes which might be made would not materially alter the general picture of devastation and loss represented by the dollar value.

The damage figures are the

result of surveys conducted by Army Engineers crews on the Willamette, Umpqua, Rogue, Coquille and other coastal streams.

Of the \$17,996,600 figure, private damages accounted for 83 per cent, or \$14,935,800, while public damages totaled \$3,060,800, or 17 per cent.

Total flood damages on the Rogue river were \$4,042,500, on the Coquille \$2,596,800, on the Umpqua \$2,143,200 and on other coastal streams, \$540,200

The breakdown of Rogue river damage is as follows: agricultural, \$1,366,900; residential, \$1,097,500; industrial and commercial, \$882,500; railroads, highways and utilities, \$344,100; flood control and navigation facilities, \$35,000; other public, \$322,500; total private, \$3,502,500 the total public \$546,000.

Gardeners See Demonstrations By Two Guests

Mrs. John Holst, assisted by Mrs. Otto Nagle, demonstrated the making of potpourri jars, covered coat hangers and rose jelly at the Central Point Garden club meeting held Wednesday, August 1, at the home of Mrs. Gertrude Stanley.

Mrs. Holst also explained by using lavender sticks and sachets how to store winter flowers for winter enjoyment. Both women were special guests for this meeting.

Arrangements were by Mrs. W. West, Mrs. Charles Jantzer and Mrs. Joe Huffine.

Door prizes went to Mrs. C. W. Anhorn and Mrs. Charles Jantzers.

Other guests at the meeting were Mrs. Charles Hoover and Mrs. Glen Clymer of the Eagle Point Garden club, Mrs. E. Jackson of Eugene and Mrs. W. I. Reed. Mrs. Jackson was presented with a corsage.

A dessert luncheon was served at 1:30 p.m. Assisting Mrs. Stanley were Mrs. Edward Jones and Mrs. Stella Anderson.

The next meeting will be a barbecue supper on September 5 at the home of Mrs. Bert Elliott.

Cooked Food Sale Scheduled Saturday

A cooked food sale to raise funds for the Central Point Kindergarten will be held this Saturday, August 11, at Faber's Super Market by members of Central Point Lady Lions.

The sale will be held Saturday morning from 10 to 12 o'clock.

Money raised will be allotted to the kindergarten and the Lion project of sight and blind conservation.

Oregon's annual lumber output is around 8 billion board feet, enough to build about 800 thousand five-room frame houses.
